

HIGH SCHOOL BOYS DEFEAT ACADEMY

Pretty Football Game for the
Honors of the Preparatory
Schools.

TEAMS EVENLY MATCHED

High School Scores Touchdown
in Each Half and Kicks
One Goal.

The football eleven of the Richmond High School and the Richmond Academy played a pretty and interesting football game at Broad Street Park yesterday afternoon. The High School eleven winning by a score of 11 to 0. The game was far closer than the score would indicate. The play being very even during the greater part of both halves. The teams were well matched, and played the game with all their powers at all times. The youngsters knew all the trick plays and had been carefully coached in the forward pass, the deflected pass, the fake kick and in every department of play, and all these plays were mixed in in confusing variety.

The High School scored its first touchdown shortly after the beginning of the first half. After carrying the ball steadily down the field in a series of line plays and a twenty-five-yard run by Chambers, quarterback, Knox was pushed over for the first score. Chambers failed in his attempt to catch the ball, and the forward pass was as frequently resorted to as a punt, but the play was so uncertain that it was seldom made successfully. Alternately each team scored with about eight yards to go, made good gains with the forward pass and the fake kick, while the High School frequently called on Chambers for a punt. His punting was a brilliant feature, the long spirals he sent down the field being difficult to catch, so that with the fast work of the ends, High School several times got the ball on a muffed punt or muffed the man receiving the ball before he could budge. Toward the close of the first half the High School broke through and blocked an Academy punt on their twenty-five-yard line.

Academy was penalized a moment later, and it was High School's ball, with only four yards to go. Padgett finally carried the ball over for a touchdown, and Chambers kicked goal, making the final score 11 to 0. For the High School, the work of the backs, ends and left tackle were features. Chambers being the particular star, his punting and running both aiding materially in the victory. Padgett, Knox and Augustine also played cleverly.

For the Academy, the work of Little Vix, quarterback, was a feature. He got into almost every play, grabbed the ball several times on a fumble and was Johnny-on-the-spot generally. The work of Quarles, Ramsdell and Davidson was clever, and the ends, Tompkins and Bradley broke up attacks of the High School. After the first five minutes the Academy line held well, and High School frequently failed to make its distance. The ends also handled the forward pass very cleverly. The line-up and score follows:

High School Positions. Academy.
McKee.....left end.....Tompkins
Padgett.....left tackle.....Wisman
Bruce.....left guard.....Saunders
Baird.....center.....Noti
Parsons.....right end.....Bradley
Taylor.....right tackle.....Cason
Moll.....right guard.....Reid
Chambers.....quarterback.....Witt
Augustine.....fullback.....Davidson
Knox.....right half.....Ramsdell
Fairbank.....left half.....Quarles

Touchdowns—Knox and Padgett. Goal from touchdown—Chambers. Goal missed—Chambers. Time of halves 25 and 20 minutes. Referee, Mr. Nelson Robins.

DIVIDE TENNIS HONORS.
Fountain Defeats Earnshaw, While Potent Wins From Orr.

(Special to The Times-Dispatch.)
CHAPLAIN, N. C., October 25.—In the closing series of the tennis tournament with Wake Forest here today, Fountain, of Carolina, defeated Earnshaw by a score of 3 to 2, and Potent, of Wake Forest, defeated Orr, of Carolina, 2 to 0, taking the first two sets.

The features of the contest were the steady playing of Fountain for Carolina and the brilliant work of Earnshaw for Wake Forest. The Wake Forest men are scientific players, being thorough familiar with the strong points of the game. Above all, they are clever gentlemen and made a very good impression here.

TO FIGHT FORTY-FIVE ROUNDS.

FEW CHANGES IN FOOTBALL RULES

Forward Pass Is Made Somewhat
Different, and Rule Is More
Liberal.

As the greatest football game of the season is to be played today, there might be some desire on the part of enthusiasts who have not kept up with the progress in improving the game to know what changes, if any, have been made from the rules of last year.

There has been practically little change, and this little affects only the forward pass, which is the first of second down when the forward pass fails to be touched by a player of the side kicking, and on the third down to touch it, and ball goes over on the spot from which the pass was made. Last year whenever a forward pass was attempted, if no one touched the ball, it went over to the opponent. The change makes the rule somewhat more liberal, and allows the side kicking a little more latitude in their attempt to make a forward pass.

The rules this year also provides for a fourth official—a field judge, who carries the ball from the line of scrimmage. This rule as to whether a line man may carry the ball has also been changed. In the past, the line man may carry the ball from the line of scrimmage. This was prohibited according to the letter of the rule, but the referee allowed the line man to carry the ball from the line of scrimmage when the ball is put in play.

Not Much Betting.
There was not much Carolina money bet on the game. The odds were 2 to 1 in favor of Virginia, while offering 2 to 1, and in some instances 5 to 4, failed to get any takers. This was explained by the fact that the Carolina team had not arrived in the city, but with the crowds coming this A. M., the odds may be somewhat different.

Several good bets were made down town yesterday at the prevailing price of 3 to 2, and then when the Tarheels met this afternoon in a well-played, clean game, the Ashland men winning by a score of 20 to 0. The visitors at no time in the game were able to make first down even once.

The features of the game were the playing of Drewry, Rowe, Randolph, Harlan and Powell. Randolph made a forty-yard run on an outside kick, and scored a touchdown. The Ashland men used the outside kick throughout the game to good advantage, while the forward pass was worked successfully twice. For the

visitors Simpson, Hamkins and Ward did the best work.

The line-up was as follows:
R. M. C. Drewry.....right end.....Dunford
Boush.....right tackle.....Banks
Ridgeway.....right guard.....Woolf
Woodhouse.....center.....Sheffield
Jackson.....left guard.....Brady
Rby.....left tackle.....Smith
Rowe.....left end.....Ward
Randolph.....quarterback.....Sweeney
Harlan.....right half.....Abbit
Powell.....left half.....Hankins
Woodhouse.....fullback.....Simpson
(Captain.) (Winn.)

Time, fifteen-minute halves. No goals kicked. Four touchdowns. (Randolph.) Umpire, Harris. Referee, Dr. Wood Jordan.

Carolinians Sturdy Men.
The Carolinians are a rather sturdy, husky looking bunch and apparently will weigh close to 170 pounds. Captain Mann is probably the smallest of them. Dressed in civilian garb and wearing overcoats or topcoats, it was difficult to get a good idea of their physical proportions.

The Virginia team has been coached chiefly by Mr. E. Hammond Johnson, of Norfolk, the star half back of last year. He has been assisted by Merrill T. Cooke, Jr., and I. Branch Johnson, two of the best tackles the university ever turned out, and by Christie Benet, another year's player, while former Quarterbacks Randolph and Beverly Pollard have assisted in shaping up the backfield for this contest. Carolina's head coach is Dr. Lamson, an old Pennsylvania star, but he has been assisted by Coach Simmons and by several of the best players of recent Carolina teams. No effort has been spared in conditioning the men and in coaching them in every phase of strategic play.

The periods of play have not been decided upon, but they will probably be thirty minutes each. With the weather warm and the field unusually dry, the periods may be reduced to twenty-five.

Grouping of Rival Rooters.
As will be seen from the diagram of Broad Street Field, printed elsewhere, the Carolina contingent will occupy the south stands and bleachers, while the Orange and Blue of Virginia will be massed on the north side of the field. There is option of sitting or standing on either side, but the bulk of the crowd will align themselves with their cohorts as indicated.

The price of admission is \$1. The price of admission and a seat in the grandstand is \$1.50. The seating capacity of the ground is about 7,500.

Ashland Wins 20 to 0.
ASHLAND, Va., October 25.—Randolph-Macon and Medical College met this afternoon in a well-played, clean game, the Ashland men winning by a score of 20 to 0. The visitors at no time in the game were able to make first down even once.
